THANK YOU PARENTS & STAFF
As the 2018-2019 school year comes to an end, I want to thank everyone that makes the District 29 learning community such a special place! Together we have made great progress towards our strategic plan goals, took an important step forward in improving the Middlefork School facilities, and celebrated many academic, athletic, artistic, and social accomplishments. We have worked through challenges together and always maintained our focus on the best interests of our students and our school communities. We have lived our mission to “engage the hearts and minds of our students one child at a time” and I am honored and grateful for the opportunity to lead this incredible district!

CONGRATULATIONS GRADUATES!
I want to congratulate all of our Middlefork and Sunset Ridge Graduates! Both ceremonies were very special celebrations and I thank our students, parents, and staff for making them such wonderful and unique events!

PLEASE SETTLE ALL ACCOUNTS
Please make sure that you have paid any balances (e.g., lunch account, technology fees) before you leave for the summer. Report cards will be held for any student with a past due account. In addition, any student with a negative lunch account will not be allowed to purchase lunch next year, and any student with unpaid technology fees will not be issued a device to take home next year.

LOST AND FOUND
We have LOTS of lost and “yet to be found” items (clothing, lunchboxes, water bottles, gym uniforms) at both schools. Sunset Ridge school has a particularly LARGE amount of items. Please stop in before the end of the day today as any unclaimed items will be donated!

SUMMER HOURS & ACCESS
This summer, Middlefork School will be closed as the renovations to that facility take place. All Middlefork staff will be housed at Sunset Ridge School over the summer. While there will generally be some “12-month staff” present Mondays through Thursdays, please phone first to make sure that someone is in the building. Our summer hours are 8am-4pm.
**SUMMER MAILING AND CLASS LISTS**
Please check the homepage of our website over the summer for updates regarding summer mailings and the posting of 2019-2020 class lists.

Sincerely,
Edward J. Stange, Ph.D.
Superintendent of Schools
