

**STUDENTS****Goals and Objectives**

In that the District's primary objective is the educational welfare of the children of the District, the School Board and staff shall work together to establish an environment conducive to the maximum development of each student through commitment to the following goals:

1. provide a learning program for the District's students which considers their various backgrounds, capabilities, learning styles, interests and aspirations;
2. protect and observe the legal rights of students;
3. enhance the self-image of each student by helping him/her to feel respected and worthy, and by creating a school environment which provides positive encouragement through frequent success;
4. provide the opportunity for students to learn personal and civic responsibility for their actions through meaningful experiences as school citizens;
5. deal with students in matters of discipline in a respectful, just, and constructive manner;
6. provide for the safety, health and welfare of students; and
7. provide the opportunity for the development of self-motivation and pride in accomplishments within each student.
