

SCHOOL-COMMUNITY RELATIONS

Bond Campaigns

While the Board may, and should, provide the public with information on school building needs, it may not use District funds to advocate “yes” votes on bond issues or referendums.

It is the policy of the Board to activate a Citizens Advisory Committee to examine District needs in advance of any so that the committee may make its finding known both to the Board and to the public.

As the need for bond issue support arises, a Citizens Committee for Better Schools may be encouraged for the purpose of promoting the passage of the bond issue and collecting funds needed for such promotion.
